MEMORANDUM FOR: THE DEPUTY DIRECTOR *APC*

Attached is a list of Air Force L&L officers for tomorrow's briefing. I appreciate your presence to greet these individuals. I believe it would be appropriate for you (a) to welcome them here to learn something of the Agency and (b) to express appreciation for the many courtesies and real assistance provided by Air Force L&L to CIA (principally through me personally). With this you could then turn over the meeting to Mr. Kirkpatrick.
